
HP Pavilion g7-1080er Notebook PC

- **Get a performance boost with latest processors and great productivity.**
  The perfect balance between design, performance, mobility and productivity. Latest Intel and AMD processors and discrete graphics give full PC performance and a streamlined workflow, with all the social networking and multimedia features you want.
- **It's so easy to stay in touch! Just hop on the web and share your photos and videos.**
  Make sure you don't lose touch! Use the integrated webcam and digital microphone to stay connected with family and friends, hop on to the web and share your photos and videos – all made easier with one-touch action keys and side-access I/O ports.
- **Share the ultimate audio and visual experience with your friends.**
  Enjoy a great audio experience! The HP Pavilion g7 gives fantastic audio and visual satisfaction with Altec Lansing speakers and SRS Premium Audio. View movies and photos and share them with your friends, on a 44cm (17.3") HD BrightView display.
- **Light up your life – there's one colour to suit just your style.**
  The HP Pavilion g7 comes in multiple colour options so everyone will find one to suit their personal style. Choose from a palette of colours and then watch it light up your life – in a high-gloss finish.
- **Packed with all the essential features for your everyday life – and so easy to manage.**
  Here is everything you need, in a compact, reliable, well-designed notebook. The HP Pavilion g7 means you can surf the web, manage daily tasks, listen to music – and all at a price you can afford.

Enjoy the essentials for the everyday. Here's everything you need to manage your busy life, from your photos to your finances – all in a reliable notebook available in a palette of colours.
